CREA September Newsletter

Follow Up

Although the CREA Board had hoped to have many of our members join the Zoom meeting on September 10, it seems many CREA members may be reluctant. Only a small handful of our members have RSVP'd to get the Zoom link to join the meeting.

Zoom technology may seem intimidating, but it is really easy to use. You do not even need a computer. You can simply use your phone. You need only a phone number and a passcode, both of which Harry Beall will give you if you RSVP him at sandreap@ix.netcom.com or (702) 521-3387.

If you would like to know more about using Zoom, there is a great instructional video on YouTube. Click here to watch.

Several CREA board members also offered their assistance with Zoom. If you contact them, they will help you: Kathleen Bagley, bagleylv@cox.net or (702) 646-2712; Harry Beall, sandreap@ix.netcom.com or (702) 521-3387; Patricia Bynum, pbynum1020@yahoo.com or (702) 647-4858; Lynne Herman, lherman6@cox.net or (702) 647-4004; Steve Horner, sjhorner5107@gmail.com or (702) 767-0740; Carole James, cjames489052@msn.com or (702) 810-3305; Sylvia Villalva, sylvillalva@gmail.com or (702) 256-0182; and Brian Morgan, sjmorgan@embarqmail.com or (702) 452-5915.

One important piece unfinished business for CREA is the nomination of people to the CREA board to replace whose who have term ended, and we also need nominations for vice president and a treasurer. Since it may take a while for our members to become comfortable with Zoom, we are urging you to make your nominations by email or phone.

Our president, Brian Morgan, will take your nominations, and then CREA will hold elections for those positions electronically. His email is sjmorgan@embarqmail.com, and his phone number is (702) 452-5915.

Brian would also like your feedback about why so few of our members have RSVP'd for the September 10 meeting and to learn your suggestions for keeping our members engaged with CREA while we cannot meet in person.
