

## ***WHY SHOULD I SIGN...?***

-  Politicians continue to cut education funding to balance the state budget and this only hurts our kids!
-  Nevada ranks 49th overall for the quality of education. It's time for a steady source of funding that will keep dollars in classrooms to help our kids succeed in school.
-  This ballot initiative will ensure our schools receive adequate funding so that experienced educators have the needed resources to prepare our students for jobs in the 21st century.
-  Signing this petition shows you care about the education of our kids and want nothing but the best for them and for their future.
