Bill to Repeal Social Security Offsets Reintroduced *Your Action Needed to increase list of supporters*

Representatives Howard Berman (D-CA) and Buck McKeon (R-CA) have reintroduced the Social Security Fairness Act to repeal the Government Pension Offset and Windfall Elimination Provision. The new bill number is H.R. 235. The previous bill, which had over 300 cosponsors, expired at the end of the last Congress. When the new Congress convened this week, our sponsors immediately reintroduced the bill – demonstrating their strong support for the issue and desire to send a message about its importance to their congressional colleagues.

The bill was introduced with more than 80 cosponsors. NEA expects the Senate version to be re-introduced shortly.

ACTION NEEDED: Contact Congresswoman Dina Titus and urge her to cosponsor H.R. 235 – the new Social Security Fairness Act. Also contact Congresswoman Shelley Berkley and Congressman Dean Heller and thank them for their continued support of the Social Security Act.

NEA's GOAL: Rebuild the cosponsor list as quickly as possible to show momentum and convince congressional leaders to take action on the bill.

Current Nevada cosponsors of H.R. 235:
