

## NSEA SUPPORT FOR SB100

Date: February 12, 2019

To: Senate Committee on Education

Re: SB100—Licensure and Employment of Veterans, Military, and Their Spouses

The Nevada State Education Association represents teachers and education support professionals across the state. We believe that every Nevada student deserves a high-quality public education.

**NSEA supports Senate Bill 100, revising provisions relating to the licensure and employment of veterans, military personnel, and their spouses in Nevada public schools.**

Teaching is one of the most common occupations for military spouses, who frequently must move for their spouse's work. Expedited processing of teaching licensing and employment at school districts for these educators moving to Nevada not only will help fill open positions, it provides stability and support for military families that have relocated.
