Elections and Credentials Committee

to the

2022 Delegate Assembly

The NSEA Elections and Credentials Committee met several times this year. This year, the committee worked on revising the NSEA Election Rules with Parliamentarian Steve Gorrie. These rules will be presented at the 2022 Delegate Assembly for discussion and action. Elections will continue to be conducted electronically for 2022. There are two officer positions up for election, NSEA President and Vice-President. Many thanks to the NSEA Elections and Credentials Committee for their work this year.
