

Instruction/Professional Development Report

NSEA Strategic Goal:

NSEA will strengthen the Instruction and Professional Development (IPD) opportunities for all members in the topics of: Leadership, Classroom Management and Social Emotional Learning. NSEA will provide various resources for licensed educators, Education Support Professionals, aspiring educators, and retirees.

Instruction and Professional Development Outcomes 2024-2026:

- Secured a \$25,000 grant from NEA to fund current IPD programs
- Leadership Development Assembly
- PRAXIS Trainings
- Promoted NEA MicroCredential and Blended Learning courses
- Two Early Leadership Institute Cohorts

The Instruction and Professional Development committee looks forward to implementing additional Instruction and Professional Development opportunities across the state.
